

## **Sincerely—for Barb**

Sincerely, oh yes, sincerely  
'Cause we love you so dearly  
And think you're real neat---think you're real neat.

Sincerely, oh you know how we'll miss you  
We'd do anything for you  
'Cept sing on the off-beat!

Oh Barb, we've had so-o much fun  
We're gonna miss you very much!  
We won't forget you  
Especially your jazzy, synco—pated touch!

Sincerely, oh you know how we love you  
Memories of times together  
Just simply can't be beat.
